Honolulu to Jerusalem Women's Pilgrimage to the Holy Land

Led by the Rev. Jodene I. S. Hawkins
April 28 to May 12, 2010

*I give you the end of a golden string, Only wind it into a ball:
It will lead you to heaven's gate, Built in Jerusalem's wall." (William Blake)*

Our Women's Pilgrimage is an opportunity to weave the golden strands of the threads of our lives into sacred story and through the sacred vortexes of divine energy in the Land of Jesus and Holy Women. The 'Thin Places' of the Holy Land are our destinations: Jerusalem, Bethlehem, Jericho, Nazareth, Sea of Galilee, the Jordan River, Garden of Gethsemane, Way of the Cross, The Empty Tomb, The Dome of the Rock, The Western/Wailing Wall, the Healing Pools of Bethesda, Bethany, Capernaum and Jacob's well where the Samaritan woman received life-changing water. through ancient texts, imagery and contemporary writings. Many of the women appearing only at the edges of history, the unnamed women whom Jesus honored, respected and included in his work and his vision will come to light along our way: Mary, Elizabeth, Mary and Martha, Ruth, Naomi, Mary Magdalene, the Woman at the Well, Anna, Hanna and Joanna, Anne, Deborah, Jael, and the women at the Empty Tomb—women healed, women transformed, and women who 'saved the day.' We will meet them in story, song, and visions for the world God so loved. We will see our world with new eyes and new perspectives. We also have the privilege of meeting the women and men who today are the living stones of the land of Jesus, keeping the faith despite overwhelming challenges. We will feast
