## From Father David

*I cannot  
tell you how  
excited I am*

to join you on  
October 11, 2009  
as your Rector. The  
journey on our way  
to the Kingdom of  
God is full of

adventure,  
excitement, sheer terror and joy; all  
wrapped up together! We live in a time of  
expectation: the glory of God surrounds  
us, but still is yet to come. We are  
participants in the creation of a new  
heaven and a new earth, yet it is God who  
will bring both to fulfillment. My hope is  
that our commitment, as individuals and  
as a community, to living within and for  
God's Kingdom, will continue to blossom  
and grow.

I will be part-time from October 16  
through December 31. I will be at the  
church Wednesdays and Sundays during  
that time, and during all the Holy Days of  
the Christmas season. Starting January 1,  
2010, I will be your full-time Rector. Will I  
visit the sick? Yes! Will I care for our  
members and those close to them? Yes!  
Will we continue to feed the hungry? Yes!  
Will we continue the programs Mother  
Jodene has so lovingly nurtured? Yes! Will  
we expand existing efforts in our  
community? Yes indeed! In fact, if you  
have ideas, desires, wishes and hopes for  
our community, please share them. If you  
wish to read, serve, teach, sing, play,  
entertain, cook, paint or anything else,  
please say so! Every one of us has a gift  
to share.

Building the kingdom of God requires,  
and needs, and demands the involvement  
of the priesthood of ALL BELIEVERS. A

Rector may lead, but it is the people who  
build and create, with the guidance and  
love of our gracious God. Together, the  
new life that has come to St. Elizabeth's  
through the grace of the Holy Spirit, your  
efforts and those of Mother Jodene will,  
with the blessing of God, spread like the  
mustard tree and expand like the yeast  
that rises. May our good Lord bless and  
keep you, one and all. I will see you soon!

My cell phone is **554-8281**. Please feel  
free to call it anytime you like!

peace,

david+

## The Door of This House

O God,  
make the door of  
this house wide  
enough  
to receive all who  
need human love  
and fellowship;

narrow enough to shut out all envy,  
pride and strife.

Make its threshold smooth enough  
to be  
no stumbling block to children,  
nor to straying feet,  
but rugged and strong enough  
to turn back the tempter's power.  
God make the door of this house the  
gateway  
to thine eternal kingdom.

*Bishop Thomas Ken, 1637-1711*

## Chinese Proverbs

Do not be afraid of going slowly, be  
afraid of standing still.

If you want happiness for a lifetime,  
help the next generation.

The fire you kindle for your enemy  
often burns yourself more than him.

Peter Marshall, Chaplain to the U.S.  
Senate prayed: "Help us to do our very  
best this day and be content with today's  
troubles so that we shall not borrow the  
troubles of tomorrow. Save us from the  
sin of worrying, lest stomach ulcers be  
the badge of our lack of faith."

# Happy Retirement, Mother Jodene!

## From Mother Jodene

One of the recent books I read is *The Girls from Ames* (Iowa).

It was written by a man (interesting how that came about). Jeffrey Zaslow, the author was the co-writer of *The Last Lecture*, a recent best seller. In *The Girls from Ames* he writes briefly about what research reveals about friendship and then of the results of research specifically about women's friendships.

Scientific studies report that having a close group of friends helps people sleep better, improves immune systems, boosts self-esteem, staves off dementia and increases longevity.

A fourteen year research project at Flinders University in Australia monitored 1500 women as they 'aged.' What did they find? Close friendships (even more than close family relationships) help

prolong women's lives. Though many of the women in the study had significant relationships with children and other family members, those relationships alone did not improve longevity. The women with the most friends lived longer than those with the least number of friends by 22%.

Gerontologists report that longtime friends tend to be more understanding and empathy for health issues than family members. And then friends seem to say to each other something that moves the ailments to a more positive mode, perhaps saying--"OK, let's forget about the aches and pains we are feeling today and go do something fun."

Jesus called his disciples 'friends.' Friends and friendship is what we have with Him and within the Christian family. In our baptism we were adopted into a family of friends.

So, improve your health and well-being and join your friends at church. Talk story. Eat together. Share hopes and dreams and even the aches and heartaches. That's what friends are for. Jesus said, "I no longer call you servants, I call you friends. Love one another, as I have loved you."

## Wisdom Words

Feeding the hungry is a greater work than raising the dead.

*St. John Chrysostom*

If there is anything that keeps the mind open to angel visits, and repels evil, it is pure human love.

*N. P. Willis*

# Mother Jodene's Aloha Service

L-R Father Fan, Father Saimone, Mother Jodene and Mother Imelda celebrate Holy Communion.

Mother Jodene's last sermon.

Baptized were Jeferrson Noket and Camereen Noket, children of Mary Jane Noket. Godparents are Floriana Thomas and Kazner Alexander.

# Humor Pew

It was a hot Saturday morning. The doors and windows were all open in the church to bring in a bit of air.

The worshippers gathered for the funeral service could also hear the auctioneer's voice from the next building, almost as clearly as they could hear their own minister.

The service came to an end. "Lord, may thy servant depart in peace," said the minister.

Through the window came the words, "going once, going twice, gone!"

# Jesus loves me, this I know

Karl Barth, a noted theologian of the 20th century wrote 26 volumes of doctrine and the theology of Christ. Yet when he was interviewed and asked what was most central to his understanding of faith his answer was "Everything I have written can be summed up in three words, "Jesus loves me!" So sing it! Say it! Trust it. Jesus loves YOU!

# Prayer

written by Kalfred Yee

Eternal and heavenly God,  
When we are sure of what is possible,  
and what is impossible,  
then show us the thin margin  
that divides one from another.

So help us to reach a few of our  
impossibilities.

That means living our visions and  
finishing its worthiness.

Help us to endure the insecurity of being  
an impossibility and respecting the poor,  
sick and the homeless.

By believing that patience, endurance,  
grace and love, that will show us the way  
to meet our impossibilities.

So when life is a puzzle,  
and we know not what to do,  
lead us back to the simplicities  
that dignify life.

Let us make laughter that rings true,  
honesty with straight talk,  
and gracious love that seeks no rewards.

## Day by Day

Thank you, Lord Jesus Christ, for all the benefits and blessings which you have given me.

For all the pain and insults which you have borne for me.

Merciful Friend, Brother and Redeemer, may I know you more clearly, love you more dearly, and follow you more nearly.

Day by day. *(Richard of Chichester, 1197-1253)*

***Your generosity is greatly appreciated in donating the following items needed for our food pantry: Spam, Vienna sausage, canned pork and beans, tuna, ramen, corned beef hash and rice. We are also grateful for your donations to this cause. It costs over \$100 per week in food to stock our pantry. Please help those in need by making checks payable to St. Elizabeth's Pastoral Fund.***

## She teaches my child

The Lord has a special place  
For those who teach little children.

She arrives early;  
She leaves late.  
The children love her;  
The parents think she's great!

She cares for the children  
And tells them of Jesus' love.  
She instills in their hearts a desire  
To know of our Father above.

She teaches them the Bible;  
She teaches them to pray;  
Sometimes she just teaches them  
to be still.  
She is dedicated to serving the Lord  
in this way,  
And we praise her  
for being in his will.

The Lord has a special place  
For those who teach little children.
